General Foundation Programme

Student Handbook
2019-2020
1 Welcome message

Dear Students,

Welcome to the General Foundation Programme (GFP).

The success of the English Language Programme depends on your active participation. During the course of study, you will be expected to take an active part in the whole learning process. You are encouraged to seek knowledge actively or to use the acquired information in new situations. Also, you will be involved to extra-curricular activities during your study at the GFP to expand the benefit from the Programme. This will be a great help when you take up employment.

The Centre is open from Sunday to Thursday. It will be your responsibility to organize such periods to your best advantage using the Centre’s educational premises. This will allow you to follow independent learning programmes and carry out homework and assignments.

This Handbook will serve as an introduction to the General Foundation Programme for this academic year. It contains details on the nature of the Programme, entry, structure, resources available, the assessment procedure, guidance and discipline, and other information you require during your course of study. You should read it carefully so that you are fully aware of the nature of the Programme and the college requirements you must fulfil, to complete the Programme successfully. The responsibility for a fruitful outcome lies with you.

**3. Quality Assurance Committee**

The English Language Centre’s Internal Quality Assurance Committee was instituted in 2000s and since then it has worked to ensure that GFP provides high standards of education and supports all the staff and students in meeting the required standards. The Internal Quality Assurance Committee (IQAC) is responsible for conducting objective examination activities evidence and operations of the Centre for the purpose of providing an independent assessment on them and ensures measures are taken for improvement. It covers student induction, attendance, conduct (behaviour), exams, academic performance, utilization of academic support services and other student related facilities, health and safety, club activities, competitions, implementation of student related policies, audits of student portfolios, and all the other student related activities.

Quality Audit focuses on how well a higher education institution is doing by focusing on its strengths. It fulfils at least two purposes. First, it is a means by which the college is held accountable to society for its role in providing quality in higher education. Second, it helps focusing on opportunities for continuous quality improvement within the college. Thus, it can provide valuable information for the strategic planning process. You may visit the web site [www.oaaa.gov.om](http://www.oaaa.gov.om) or the college web site [https://www.ict.edu.om](https://www.ict.edu.om) for further information on quality assurance.

**4. Admission and Progression**

All registered students are eligible to enter the General Foundation Programme. Their entry level depends on their linguistic ability. The in-house placement tests will determine the English language level, Math level and IT level of each student and his or her placement is decided accordingly. This means that not all students will be required to take the four levels. Some may progress through the Programme much faster than others depending on the results of the Placement Tests. (See Diagram 1)
Diagram 1:
4.1. Exemption:
Students can be exempted from the placement test and admitted to the specialization programmes, provided they produce evidence of:

- A score record of International Accredited Exams, i.e. Academic IELTS (at least Band 4.5) or its equivalent of TOEFL iBT. (See Table 1)
- Meeting General Foundation Programme - IT & Maths requirements.

* The student must study Math and IT courses in the General Foundation Programme even if he/she brought IELTS/TOEFL iBT
** The student GPA should meet the post-foundation requirements. See page (6).

5. IELTS and TOEFL Criteria: Promotion to Higher Levels at the Colleges of Technology
The mechanism of promotion from the diploma level to the higher diploma level and the bachelor level is as follows:

Note:
- Students will have the chance to further their knowledge and improve their level through the resources available in the Centre. See page 15 for more information about these centres.
- The Programme is offered on a term basis. The academic calendar is divided into 3 terms. Students can refer to their Course Tutor for further details on the academic calendar of the Centre.

7. The Assessment System

The English Language Centre applies the following assessment system for the General Foundation Programme.

7.1 Pass/Fail Criteria:
- To pass a level, you must pass the Level Exit Exam (LEE) and achieve the accumulative mark of 50% as illustrated in the example of student A and C in Table 5 below.

(Accumulative Grade) = LEE (50) + CA (50) = (100). See Table (5) below.

Table 5

<table>
<thead>
<tr>

<td>50</td>
<td>Fail</td>
</tr>
<tr>
<td>Student C</td>
<td>20</td>
<td>30**</td>
<td>50</td>
<td>Pass</td>
</tr>
</tbody>
</table>

*Students should score 25 or above in the LEE to get a passing grade.
**Students’ overall score should be at least 50 with meeting the condition of passing LEE.
7.2 Level 4 Assessment and Level Exit Score:
Students’ total score of CA and LEE will allocate students in the next three programmes (Diploma, higher Diploma, or Bachelor degree). The scores are divided as shown below in Table (6):

<table>
<thead>
<tr>
<th>Study Degree</th>
<th>Score</th>
</tr>
</thead>
<tbody>
<tr>

<td>50 - 63</td>
</tr>
<tr>
<td>Higher Diploma</td>
<td>64 - 70</td>
</tr>
<tr>
<td>Bachelor</td>
<td>71 - 100</td>
</tr>
</tbody>
</table>

7.3 Promotion from One Level to Another:

7.3.1 Stage 1:
In this stage students are distributed into their levels according to their score in the Placement Test.

7.3.2 Stage 2:
During week 1, the group advisor can nominate 1 or 2 students, according to their performance in a writing task given to them by their lecturer, to have the chance of being promoted to the next level. The group tutor will send an email to HoS CTM, so the nominated students will sit for the Level Exit Exam of their current level. Students will be moved up to the next level if they score 71% or more in the relevant Exit Exam. Those who score 70% or below should continue in the same level. See Table 7 below.

<table>
<thead>
<tr>
<th>Case</th>
<th>Current level</th>
<th>Promotion exam</th>

</thead>
<tbody>
<tr>

<td>Level 2 Exit Exam</td>
<td>Level 3*</td>
</tr>
<tr>
<td>Student C</td>
<td>Level 3</td>
<td>Level 3 Exit Exam</td>
<td>Level 4*</td>
</tr>
</tbody>
</table>

* Students may be moved up to the next level if they score ≥71% in the relevant level Exit Exam.

* Level promotion is not applicable to level 4 students.

7.4 Grading System
The Level Accumulative Grade is represented as a letter grade, and the results of each level are announced accordingly. Table (8) reflects the Level Accumulative Grade:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Scale</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>&gt;= 95 %</td>
</tr>
<tr>
<td>A</td>
<td>90 – 94 %</td>
</tr>
<tr>
<td>A-</td>

</tr>
<tr>

</tr>
<tr>

<tr>

</tr>
<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

The assessment process incorporates a variety of assessment methods. All language skills are assessed through formative and summative assessment.
8. Math and IT in the General Foundation Programme

1. New intake students must sit for Math and IT placement tests.
2. Table (9) below shows the credited and study hours for these courses:

*In HCT summer semester it can reach 5 hours for Math courses only.

3. The students score in the English Placement test will decide the level of the student in the General Foundation Programme. Table (10) shows the suggested plan to study these courses:

*The student studies this course in case he/she passed the pre-requisite course.

**Students have 4 chances only:**

**First chance:** If the student fails in Math & IT for the first time, he/she is allowed to re-take the course again.

**Second chance:** If the student fails the course again, he/she is only allowed to take the re-sit exam.

**Third chance:** If the student fails in the re-sit exam, he/she will be suspended for one semester. Students will not be allowed to study any courses of Math, IT or even English. No allowance will be paid for the student as well.

**Last Chance:** After suspension, the student has the last chance to take Math & IT exit exam. This exam is for 100 marks. Passing mark is 50%; none of the old assessment marks are considered. If he/she fails, he/she will be dismissed from the college.

*A student must pass all three courses of Basic Mathematics, Applied / Pure Math and IT before moving to study his first year of Diploma.
4. Diagram (2) below shows how these courses can be successfully accomplished:

**Diagram (2)**

5. High flyers have to pass the exit exams for all of these courses. In case they fail in any of them, they will not be allowed to start their first year of diploma. They must study and pass these courses as shown above.

6. The top score of the re-sit exam is the passing grade, and the top score for the Exit exam is 100 marks.

7. The following certificates (See Table 11 below) can be presented as equivalent to the IT course. Original certificate with successful completion should be submitted.

9. College Information Management System (CIMS)

CIMS, College Information Management System, is an on-line system that can be accessed by both lecturers and students. It can be found on the college website (https://cims.manpower.gov.om/ctms/faces/login.jsf). Through CIMS Students can register their courses, add & drop and they can submit appeals and transferring requests. In addition, it will help the students to keep track of their attendance, as well as, to check their marks. The user-name of the students is their national ID number and the password is their College ID number. In case the students face any problems to log-in, they can ask for assistance from the ETC department.

10. Attendance Policy

The English Language Centre applies the following attendance system:

10.1. Attendance:
- Attendance is taken on a regular basis at the beginning of each lecture and absence is recorded for all the courses.
- A student is dismissed from the English Language Centre if s/he does not show up for two consecutive weeks (ten working days) without a valid reason.

10.2. Provisions on Late Attendance:
- Students are expected to attend all classes on time.
- Students who come to class within the first five minutes will be considered present.
- Students will be marked “Late” if they report to class between the first 5 and 10-minute class time.
- Students will be marked “Absent” and will not be allowed to attend the class after 10 minutes of being late.

10.3 Warning Notices

Warning notices are issued according to the following criteria:

<table>
<thead>
<tr>
<th></th>
<th>English</th>
<th>Math and IT</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Warning</td>
<td>Absent for more than 5%</td>
<td>Absent for more than 10%</td>
</tr>
<tr>
<td>Second Warning</td>
<td>Absent for more than 10%</td>
<td>Absent for more than 20%</td>
</tr>
<tr>
<td>Debarred from the Level Exit Exam</td>
<td>Absent for more than 15%</td>
<td>Absent for more than 30%</td>
</tr>
</tbody>
</table>

Note: Each warning notice is issued after excluding the hours of absence with valid excuses. Valid excuses are not to delete the absence record of a student.

10.4 Valid Excuses

The following are accepted as valid excuses:
- Official sick leave issued and stamped by government hospitals and clinics. (Sick leaves from private clinics will not be accepted unless they are authorised by the government Health Centres.)
- An official letter from the Wali, after it is authorised by the Head of Section (English Language Programmes), regarding death of first degree relatives only.

Note: Other types of excuses will not be accepted. Excuses should be submitted to the Student Affairs during the week when absence occurred, or on the first two days of the following week at the latest. If submitted later, valid excuses will be accepted by Student Affairs and the students will be referred to Head of Section (English Language Programmes) in case of long absence.
11. GFP Policies and Procedures

11.1 Level Repeat and Dismissal Policy: See Diagram 3:

Diagrams:

11.2 Readmission
Dismissed students because of failing twice in the General Foundation Programme (English) could appeal for readmission during the semester following their dismissal provided the appeal is submitted two weeks before the end of the semester. Appeals should be submitted to the Student Affairs office in the English Language Centre. The maximum period to appeal for readmission is one year as from date of dismissal.

Note: To be readmitted, the student should bring Academic IELTS band 4.5 at least or sit for and pass the exit test of level 4 in the first attempt. Otherwise, s/he loses the chance for being readmitted.

11.3 Debarment
Students who are absent for 15% or more of classes will be debarred from writing the Level Exit Exam. A student who is debarred is considered failed, and therefore should repeat the level he/she is in, if the student who is debarred has already failed again, he/she will be dismissed.

11.4 Postponement
Students can apply for postponement of their studies provided they have a valid reason accepted by the Centre and the Student Affairs Department. Relevant forms can be collected from Student Affairs or online from the college website.

Note: A student has the right to postpone his studies only twice during his study in the college.
11.5 Appeal Policy (Exams & General)

11.5.1 Exams Appeals: If a student fails a level, he/she has the right to appeal but this should be done within 3 working days from the date of publishing the results or the following semester.

11.5.2 If a student has complaints or any academic problems related to his studies at the Foundation period, he can report them to the GFP Director or the Head of ELP.

Relevant forms can be collected from GFP Administration Office or GFP Student Affairs services.

11.6 General Appeals: Missed Exams and Quizzes

Students who come late for the listening exam will NOT be admitted to the test. They can be admitted to the next section of the exam (reading). The listening exam can be administered to the late students immediately after the writing exam is completed. Any late students for either the reading or writing sections should not be admitted to the test at all. Students with valid excuses will be given a Make-Up Exam (refer to College Bylaw Article 71 and CoTs’ Common Examination Procedures for GFPs).

11.7 Academic Integrity Violation Policy:

Plagiarism is an act of fraud. It involves both stealing someone else's work and lying about it afterward (http://www.dictionary.com/browse/plagiarism). Plagiarism includes, but not limited to, the following:

- Copying full or part (paragraphs, sentences or significant part of a sentence) of another’s work or ideas directly from any sources of information such as internet, books, articles, films, television shows, videos, pictures, letters, emails, etc.
- Copying ideas or information from another’s work with an end reference to the original source but without putting the copied text between quotation marks. (For Post Foundation – Degree Level students)
- Paraphrasing, summarising or rearranging words, phrases or ideas of another’s work without acknowledging the author and source.
- Copy-Paste of statements from multiple sources (electronic or print material), and presenting it as one’s own work.
- Presenting a work, done in collaboration with others, as independent work
- Using one’s own work presented previously
- Using other students’ work and presenting it as one’s own work.

11.7.1 Disciplinary Action for Student Plagiarism

- **First offense:** Written warning and repeat the section of the work that is plagiarised.
- **Second offense:** Zero mark to be awarded to the sections of the work that is plagiarised.
- **Third offence:** Third offense Dismissal from the college.

11.8 Cheating

Cheating denotes the attempt by a student to copy from unauthorized sources. Such sources may be the examination paper of another student, a dictionary of any variety or a note or paper concealed on the student’s person or item of stationery. Students caught cheating will receive a zero in the course they cheated in. The cheating student's final marks will be withheld (left as blank on the CIMS), pending action from the Disciplinary Committee. It should be noted that the report of the invigilator in such instances will be taken as final.
11.9 Procedures for Withdrawing from the College

Fill in the application form for withdrawal from the College in the Student Affairs Department.

Return your books to the GFP and get the clearance signatures of the SAC coordinator and the Director of the English Language Centre. Then get clearance of the main Library Coordinator. Finally, go to Student Affairs Department.

12. GFP Activities

12.1 Student Counselling and Student Grievances (Academic and Social)

The GFP provides two types of counselling:

**Academic Counselling**: is a shared responsibility of both the GFP administration and the lecturers. Following your enrolment in the English Language Centre, and the initial assessment, you will be assigned a Course Tutor. You should consult him/her throughout your course of study when you have any queries or problems. You will be required to record your own progress throughout the Programme. Do not wait until a minor problem develops into a major one. You are encouraged to regard your Course Tutor as a resource to whom you can refer throughout the Programme.

**Social Counselling**: For social and personal problems that you may face during your course of study, you are advised to consult the Social Advisor at the GFP.

12.2 Co-Curricular Activities

The English Language Centre offers students plenty of opportunities to practice the English language skills. The Core Course Tutors will advise you to practice your English skills in a social setting by joining and participating in one of the available clubs organized each semester, such as Public Speaking, Media, Charity & Community, Cooking, Health & Safety and Advertising…etc.

13. GFP Resources

13.1 Educational

13.1.1 Self-Access Centre (SAC)

The Self-Access Centre, or the SAC, as the name suggests, is a place where students are free to access, i.e., to choose and use, the resources according to their individual needs and interests. In other words, it is a place where students work independently in order to improve their English language proficiency.

13.2 Other Facilities

13.2.1 Canteen

Open during working hours. (refer to 16.2.1)

13.2.2 Clinic

A nurse will be available for initial consultation, first aid and minor health problems. He/she will direct the student to the appropriate clinic for conditions which require special attention. The college treatment room is open from 8.00 a.m. to 3.00 p.m. during normal working days.

14. Code of Conduct

Learning Commitment

The students will undertake to follow a code of study and behavioural practice which, when coupled with the college bylaw and directions from GFP staff, will enable them to achieve their maximum potential. The Codes of conduct, which the student will be expected to observe, are as follows:

- To treat all members of the college staff and students with respect, consideration and politeness

To maintain a suitable appearance (i.e. not to grow long hair (for boys)
To keep mobile phones switched off in the classrooms and SAC.
Not to smoke within the college
Not to play cards or UNO.
Not to have food or drinks in classrooms and SAC.
Not to give information or interviews to any media organization without the express permission of the College Dean
Not to engage in any activity or performance during time-tabled periods or in free time, which would adversely affect the reputation and good name of the college
Not to disrupt the smooth administration of any examination, either individually or in association with others.
Not to knock and disturb another class when it is in session.

Note:
- Check Articles 73 – 77 of the College Bylaws for more details.
- Check Article 78 regarding penalty for violating the Code of Behaviour.

15. Health & Safety
The responsibility for your safety and that of others in the college will lie with you. Therefore, you have to consider the following:
- You should read and follow all safety instructions in the college premises.
- Your conduct must not endanger any other person.
- If you suffer from any disability or long term health problem (e.g. asthma, diabetes …etc), you should inform your Tutor.
- Stairways and fire exits must be kept clear at all times.
- Do not use any equipment without getting permission.
- You must drive carefully within the college campus, use students’ parking areas and observe all relevant signs.
- You should keep your college, classrooms and labs clean.

16. Frequently Asked Questions
   a. Where do I go if I need help when studying at the English language Centre?
